

HATE CRIME REPORTING

Required by Higher Education Opportunity Act

Preparation of Annual Crime Statistics

The crime statistics are prepared from data solicited and tabulated annually from the Muskingum University Police Department, Campus Security Authorities, and the law enforcement agency having jurisdiction over the lands surrounding the campus, the New Concord Police Department. In addition to police reports taken throughout the annum, a questionnaire is sent by the Muskingum University Director of University Police to the entities enumerated above at the end of each long semester and the end of the year to assure that statistics are not lost due to position turnover during the reporting period. These questionnaire forms specify the definitions provided by the FBI's Uniform Crime Reporting guidelines and inquires into whether the individual is personally aware of has received reports of any of the covered offenses and where said offense is alleged to have occurred.

Campus Security Authorities

In addition to Muskingum University Police Officers, Deans, Coaches, Residence Hall Staff, Advisors to student clubs, organizations, and Greek houses, and other campus officials having "significant responsibility for student and campus activities," have been identified by law as "Campus Security Authorities" who must report annual campus crime statistics (excluding professional and pastoral counselors acting in those capacities-however, these personnel are also encouraged to convey the option of confidential reporting to their client/patient/congregant.)

Crime Statistics

The offenses listed below are reported in the "Right to Know", Safety at Muskingum University in compliance with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998 (formerly the Crime Awareness and Campus Safety Act of 1990).
