

HEERF III Detail – Q1 2022

As part of ARP (the American Recovery Plan) signed into law on March 11, 2021, The US Department of Education authorized more than \$39 billion of emergency funding to colleges and universities across the United States. Muskingum University was allocated \$4,794,339 in funding from HEERF III. Muskingum provided the Department of Education with assurance that required funds (\$2,438,032) would be allocated and directly distributed to students.

ARP funds have been used to fulfill the petition period that commenced as part of HEERF II with \$122,692 (\$94,297 from ARP and the balance from HEERF II) paid to 87 students as of June 30, 2021.

An additional \$1,656,025 of ARP funds were distributed using a need-based formula to 673 undergraduate students in November 2021.

In March an additional \$600,020 of ARP funds were distributed to graduate and non-traditional undergraduate students using a need-based formula.
