Muskingum Plan/Audit

Student ID Number _____ Student Name _____

I plan to take _____
department course # section# course title

during the _____ semester on the following basis:
fall or spring? year

- Muskingum Plan** - A junior or senior may take two courses each year for credit outside the major, minor and Gen Ed program without having the grade count toward the cumulative GPA. The student must have a cumulative GPA of 2.0 or better. Only S or U grades are given. An S is assigned for work at the level of C or higher and a U for work at the level of C- or lower. The decision to take a course on the Muskingum Plan must be declared by the end of the add/drop period and is irrevocable after that time.
- Audit** - A full-time student may audit a course at no charge upon receiving permission from the Registrar. A part-time student under age 62 is charged at the current per credit hour rate. Summer courses may not be audited. The decision to audit a course must be declared by the end of the add/drop period and is irrevocable after that time.
