

INTERNATIONAL BACCALAUREATE

Muskingum University recognizes the academic rigor of the International Baccalaureate Diploma Program for admission, scholarship and advanced placement purposes. Students who have received the IB Diploma with a minimum total score of 24 will be awarded 28 total credit hours, which qualifies as sophomore status, toward their Muskingum degree. Students admitted to Muskingum with an eligible IB Diploma will be awarded an annual scholarship of at least \$16,000 (for 2016/17), with the possibility of receiving additional academic and need-based financial assistance. Students who have completed the following exams will be eligible to receive credit for the following classes, whether as part of the IB Diploma or on an individual basis. Any other IB test with a score of 5 or higher can be considered for elective credit.

IB EXAM	Min Score	Course Equiv.	Credit
Biology - SL	5	BIOL - LL	4
Biology - HL	5	BIOL - 106	4
	6	BIOL - 106	6

SEE FOR YOURSELF

The best way to learn what Muskingum has to offer is to visit us during the academic year, when classes are in session.

The Office of Admission accepts individual appointments Monday through Friday from 9:00 am to 4:00 pm and most Saturdays during the school year. An interview and tour of campus are included. We encourage you to take advantage of the opportunity to meet with a faculty member, coach, financial aid representative, or attend a class.

We also offer special campus visit programs, during the spring and fall semesters.

Spring Preview and Fall Open House programs are great opportunities to "take a first look" at Muskingum, featuring speakers, panels, campus tours and lunch.

If you are on our mailing list, invitations to these events will be sent to you by mail. You can also register for them online at: www.muskingum.edu
