REPORT TO OUR DONORS
FROM THE PRESIDENT & THE BOARD OF TRUSTEES

Dear Alumni & Friends,

Muskingum has a rich history filled with tradition—none more significant than the Muskie spirit that results in the generosity and support we receive from you year after year. Your support inspires us to continue to enhance our teaching, our campus, and our community.

Your generosity and your vision are evident across the University. You have brought to fruition five new, state-of-the-art facilities—including the newly dedicated Louis O. Palmer Gallery. Currently, the library is undergoing a renovation and expansion that will be complete in 2015.

With this report, we gratefully acknowledge the gifts you have given. We celebrate the service and dedication of those Muskies who during the 2013-2014 year graciously shared their time and wisdom with our students as speakers at Convocation and Commencement. We also share with you the extraordinary alumni and faculty who were honored with the Distinguished Service Award, the Distinguished Faculty Award, and induction into the Athletic Hall of Fame.

The past year has been one of accomplishment accompanied by a deep sense of gratitude. With the ongoing success of our campus building initiatives, our students have access to classrooms and laboratories that feature advanced technology to enhance their learning experience. With 65 academic majors at the undergraduate level and 15 graduate programs, Muskingum provides a rigorous academic environment where students and working professionals can expand their knowledge and broaden their perspectives to see and serve the world in new ways.

You have also established nine endowed chairs to ensure that superb teaching will remain a hallmark of our University, and you have helped to keep a Muskingum education affordable for our students. Your gifts allow us to bring to life, every day, our timeless mission to educate students intellectually, spiritually, socially and physically.

We have provided a solid educational foundation that has developed generations of leaders, and with your ongoing support, there will be many more generations of Muskies in leadership roles for years to come.

Sincerely,

Anne C. Steele
President

Four alumni—Dan Wesson ’78, Adam Lescalleet ’03, Ryan Lescalleet ’03 and Nicole Blubaugh Moran ’05—are the 2013 inductees to the Muskingum Athletic Hall of Fame.

Dan Wesson, a football stand-out, was named to the First Team All-Ohio Athletic Conference as a defensive tackle in 1976 and 1977. He also was a member of the 1975 OAC Championship team. A three-year let-terman, Dan was captain of the 1977 squad. He was even more impressive on the wrestling mat. Dan was a four-year let-terman, an NCAA National Qualifier in 1976 and team captain in 1976 and 1977. He earned a Bachelor of Arts degree with a major in physical education and, after graduating, con-tinued to share his athletic talents with Muskingum. From 1979 through 1981 he served as assistant football coach and head wrestling coach. During that time, Dan built another impressive wresting track record, coaching 10 national qualifiers and five All-Americans. His wrestling teams finished 26th, 27th and 33rd in the NCAA Division III National Tournaments in 1979, 1980 and 1981, respectively.

Adam Lescalleet was a three-time All-American and three-time All-OAC and All-Great Lakes Region honoree. He led the region in scoring his senior season and placed third in scoring as a sophomore. A three-time OAC Player of the Week, Adam finished third at the NCAA National Championship. He earned a Bachelor of Arts degree with a major in business.

Ryan Lescalleet was a two-time All-American and three-time All-OAC and All-Great Lakes Region honoree. He also was a five-time OAC Player of the Week and five-time college tournament medalist winner. Ryan participated at the NCAA National Championship three times, finishing 19th in 2003. He heading into the NCAA Championship. The Fighting Muskies ended the season ranked 13th in the nation. They set school records for wins in a season (116) and regular season winning per-centage (.821). Nationally, the Muskies ranked third in Division III in fairway percentage (.614), fourth in greens in regulation (.539) and eighth in putts per green in regulation (1.984).

Nicole Blubaugh Moran was a three-time All-American, three-time First Team All-Central Region and three-time First Team All-OAC honoree. In 2005, she was named Academic All-OAC. Nicole was a key contributor on four OAC regular season championship and four OAC Tournament championship teams. From 2003-2005, she helped lead the nation-ally-ranked Muskies to three straight NCAA World Series appearances. Nicole also helped Muskingum set numerous records, including fewest losses in a season (5-2003), fewest runs allowed in a season (66-2003), most home runs by a team (48-2002), highest fielding percentage in a season (.975-2005) and most runs scored in a season (350-2005). Her personal statistics were equally impressive—a .408 career batting average, with 229 hits, 168 RBIs, 141 runs scored, 50 doubles and 31 home runs—and earned her recognition as the Barbara Steiner Outstanding Senior Female Athlete. Nicole holds a Bachelor of Arts degree in physical education.
