MUSKINGUM COLLEGE
Curriculum Committee Minutes
September 7th, 2006
3:30 p.m., Caldwell Hall 350

Presiding: Reichardt P.
Absent:

1. Approved minutes of August 24th meeting.

3. Discussed developing a Study Committee to create “challenging curriculum for the College’s best and brightest students”. Dr. Reichardt requested consideration of this for future subcommittee development.

5. After much discussion the committee developed the following Learning Objective for the third Goal for Student Learning in the LAE: “Students will demonstrate the ability to engage continuously in acquiring, evaluating, synthesizing and applying knowledge.” Committee members are requested to take this Learning Objective to their respective divisions for discussion.
