Presiding: Reichardt P.
Absent: none

1. Unanimously approved minutes of September 21st meeting.

2. Unanimously approved amended agenda of October 5th meeting.

3. Discussed proposed meeting between Curriculum Committee and Assessment Committee. Determined by general consensus to change the Learning Objective to: “Students will demonstrate the ability to engage effectively in the lifelong learning skills of acquiring, evaluating, synthesizing and applying knowledge.”

4. After unanimously agreeing that the request was “non-substantive”, the CC received “the catalogue narrative and courses in content areas of Essential Design Skills and Advanced Design Applications to be part of the newly formed major in MultiMedia and Graphic Design.”

5. Unanimously approved the following curriculum proposals for the Engineering Science major (previously distributed):
   a. Change PHYS 121/122 Classical Physics I and II to PHEN 121/122 Classical Physics I and II.
   b. Change PHYS 203 Modern Physics to PHEN 203 Modern Physics.
   c. Change PHYS 235 Electronics to PHEN 235 Electronics.
   d. Drop PHYS 311 and PHYS 312 Intermediate Physics Laboratory I and II from the permanent offerings.
   e. Drop PHYS 321 Mechanics from the permanent offerings.
   f. Drop PHYS 460 Quantum Mechanics from the permanent offerings.
   g. Add PHEN 2XX Statics and Dynamics to the permanent offerings.
   h. Add PHEN 3XX Theoretical Physics I to the permanent offerings.
   i. Drop PHYS 330 Electricity and Magnetism from the permanent offerings.
   j. Drop PHYS 425 Thermodynamics and Statistical Mechanics from the permanent offerings.
   k. Add PHEN 4XX Electromagnetics to the permanent offerings.
   l. Add PHEN 3XX Thermodynamics to the permanent offerings.
   m. Add PHEN 4XX Theoretical Physics II to the permanent offerings.
   n. Add PHEN 1XX Introduction to Physics and Engineering to the permanent offerings.
   o. Add PHEN 4XX Introduction to Senior Project to the permanent offerings.
   p. Drop PHYS 495 Individual Study from the permanent offerings.
   q. Add PHEN 495 Senior Project to the permanent offerings.
r. Add PHEN 3XX Material Science to the permanent offerings.
s. Add PHEN 3XX Principles of Design to the permanent offerings.
t. Add PHEN 3XX Optics to the permanent offerings.
u. Add PHEN 4XX Measurements to the permanent offerings.
v. Add PHEN 4XX Fluid Mechanics to the permanent offerings.
w. Add PHEN 3XX Special Topics in Physics and Engineering to the permanent offerings.
x. Add major/minor requirements as attached.

6. Unanimously approved the request to add CRMJ 3XX: Juvenile Justice (3 credits) to the permanent offerings.

7. Received the request to change course number for POLS 317: Regional Planning (3 credits) to POLS 32X.

8. Unanimously voted to defer the following items until the next meeting for further clarification regarding the impact these changes would have on course enrollment, course rotation, and the role of CRMJ faculty in staffing these courses.
   a. Add POLS 32X: Public Personnel Administration (3 credits) to the permanent offerings.
   b. Add POLS 35X: American Foreign Policy (3 credits) to the permanent offerings.
   c. Add POLS 31X: U.S. National Security (3 credits) to the permanent offerings.
   d. Drop POLS 312: Constitutional Law (3 credits) from the permanent offerings.
   e. Add POLS 31X: Constitutional Law I: Governmental Powers (3 credits) to the permanent offerings.
   f. Add POLS 31X: Constitutional Law II: Civil Rights and Liberties (3 credits) to the permanent offerings.

Respectfully submitted by: Daniel B. Wilson
