Welcome to VSP® Vision Care. We’ll help keep you and your eyes healthy through personalized care from a doctor you can trust.

Your eyes say a lot about you and can even tell your VSP doctor about you. During your WellVision® Exam, your VSP doctor will look for vision problems and signs of health conditions too.

Getting started is a breeze.

• Find the right VSP doctor for you. You’ll find plenty to choose from at vsp.com or by calling 800.877.7195.

• Already have a VSP doctor? Make an appointment today and tell them you’re a VSP member.

• Check out your coverage and savings. Visit vsp.com to see your benefits anytime and check out how much you saved with VSP after your appointment.

That’s it! We’ll handle the rest—no ID card necessary or claim forms to complete.
