The Board of Trustees and its Presidential Search Committee invite nominations and expressions of interest for the position of President of Muskingum University. This leadership position offers an extraordinary opportunity to build on the University’s positive momentum created during the presidency of Dr. Anne Steele who will retire next year after 16 years of outstanding leadership as president. We anticipate that the next president will assume office on or around July 1, 2016.

Founded in 1837 by Scots-Irish Presbyterians in southeastern Ohio, today Muskingum is a private, fully accredited university affiliated with the Presbyterian Church USA. The University educates approximately 1,350 traditional undergraduate students in 64 different majors each year with an additional 1,700 students enrolled in its array of traditional and on-line graduate and continuing education programs. A student to faculty ratio of 14:1 supports the university’s emphasis on personalization of the educational experience.

The beautiful 245 acre campus is located in the village of New Concord in the rolling hills of east central Ohio. The campus provides a secure and relaxed environment with easy access to large city attractions. Nearby cities of Zanesville and Cambridge offer shopping, dining, and a variety of entertainment options. Columbus is an hour’s drive away while both Cleveland and Pittsburgh are approximately two hours away. For additional information about the university and a position profile, please visit www.muskingum.edu.

The successful candidate will have demonstrated the ability to build a clear and cohesive strategic direction for Muskingum, provide leadership for technology’s role in Muskingum’s future, lead the University in identifying its unique niche within the higher education environment, value and develop the human resources of the University, strengthen resource acquisition, offer strong fiscal management, and build and enhance institutional relationships.

Nominations and Inquiries

The presidential search committee will begin a review of applications immediately and continue work until an appointment is made. To assure full consideration, applications should be received by November 27, 2015 and include a letter of interest, curriculum vitae, and five professional references with e-mail addresses and telephone numbers. References will not be contacted without prior authorization from the applicant. Applications should be sent electronically (MS Word or PDF Format) to MuskingumPres@agbsearch.com. The search is being assisted by:
