Art Scholarship

The Art Department at Muskingum College offers student instruction in many areas, including: drawing and painting using oil, crayon, water color and china paints, ceramics, sculpture and computer graphic design. The variety of media and ways of thinking about expression and creativity are supported by art history, art education and studio work. Exhibitions at the Palmer Gallery on campus and field trips to many art centers and museums in the region contribute to the student’s educational experience.

The Muskingum College Art Scholarship is awarded to students who demonstrate outstanding accomplishment through their portfolios. The value of the Art Scholarship is either $1,000 or $1,500 annually for four years of study at Muskingum. Financial need is not a requirement, although the Art Scholarship is factored into the financial aid package for any student demonstrating need. Upon determination of the scholarship, the award amount is credited directly to the student’s account each semester. A student must make satisfactory academic progress toward a degree to renew the scholarship.

To be considered for the Art Scholarship, a student must:
   1. Be admitted to Muskingum College as a full-time student.
   2. Present a portfolio of art works for review by the Muskingum College art faculty.

To maintain eligibility, an art major must:
   1. Enroll in a minimum of one art course per semester.
   2. Maintain a minimum of a 3.0 grade point average on a 4.0 scale within art courses and a 2.5 average in all college course work.
   3. Submit a portfolio for annual review, showing recent work only.

Portfolio reviews must be conducted by March 1 of your senior year. Portfolio reviews will be arranged individually throughout the year, or may be conducted on any of the three Scholarship Days in February, for qualified students participating in the Admission Department’s Academic Scholarship Program on campus.

Students may qualify for more than one type of non need-based financial aid, though limitations are placed on the total amount of Muskingum-funded non need-based assistance a student may receive. These limits are outlined in provisions which accompany all scholarships and financial aid awards. Recipients of full-tuition scholarships or remissions may be recognized as Art Scholars, although no additional monies result.

Applicants who qualify for need-based financial aid may be eligible for assistance beyond the level of the Art Scholarship and other non-need based awards. Students planning to apply for need-based assistance must file the Free Application for Federal Student Aid (FAFSA) and submit signed copies of parent and student federal tax forms between January 1 and March 15 of their senior year.

We are pleased to know of your interest in Muskingum College, and hope you choose to explore the opportunities for academic and personal growth available at Muskingum. To schedule your portfolio review, please contact Professor Yan Sun at 740-826-8105 or email ysun@muskingum.edu.
