

MUSKINGUM IN COLOR

Muskingum,

A synthesis of tradition and progress.

The tradition of a small Christian college coupled
with an awareness of the necessity for progress,

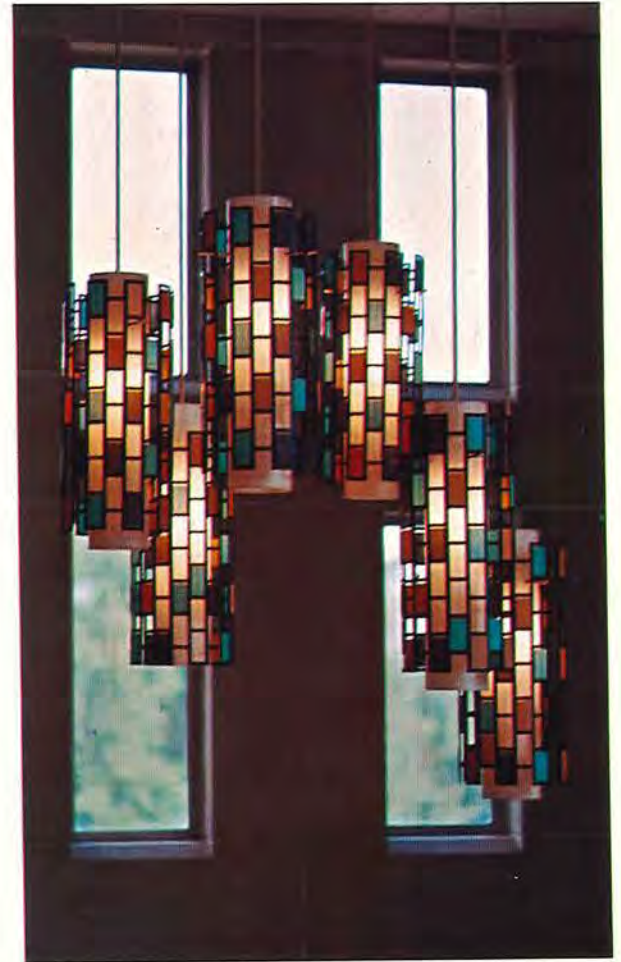

The tradition of a good liberal education while
embracing the tenets of specialized learning,

The tradition of the social aspects of campus life
furnishing the student with continued opportunity for
growth in this aspect of human development,

The tradition of beauty as an ideal enhanced by the
natural setting of Muskingum—the modern concept
of beauty manifested in the architecture displayed
in the buildings,

The tradition of a student body drawn from a diverse
segment of the population and this diversification
itself responsible for what we know as

Muskingum.

Muskingum's new president, Dr. Harry S. Manley.

"A new administration suggests a new sense of time tempered by meaningful traditions of the past.

"Although proud of today's Muskingum, we seek to improve the total educational environment by a willingness to innovate, to imagine a future hazy in its outline and to learn to cope with change. Long-range plans, which incorporate bold, flexible pro-

grams skillfully and humanely executed, will stimulate the educational and moral growth of individuals.

"Muskingum's challenge is the exciting task of helping students deal creatively with risk, with different ways of thinking, and with people and value systems."

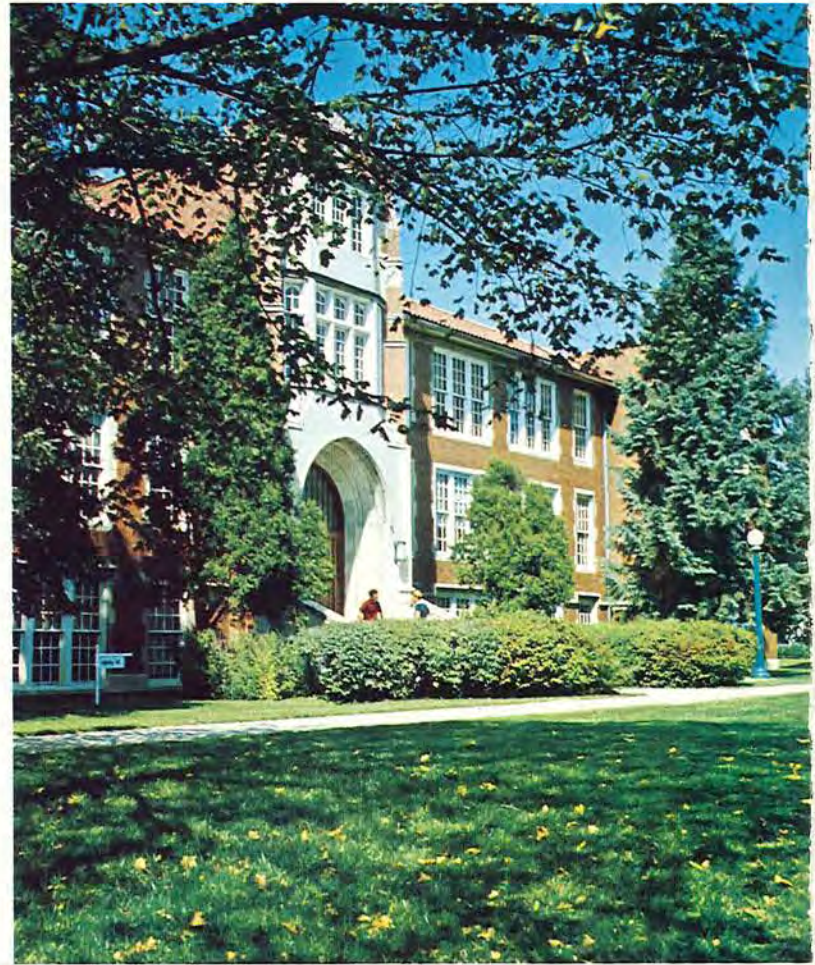

We are proud to welcome our new leader, a man of dynamic character and initiative with a view to progress.

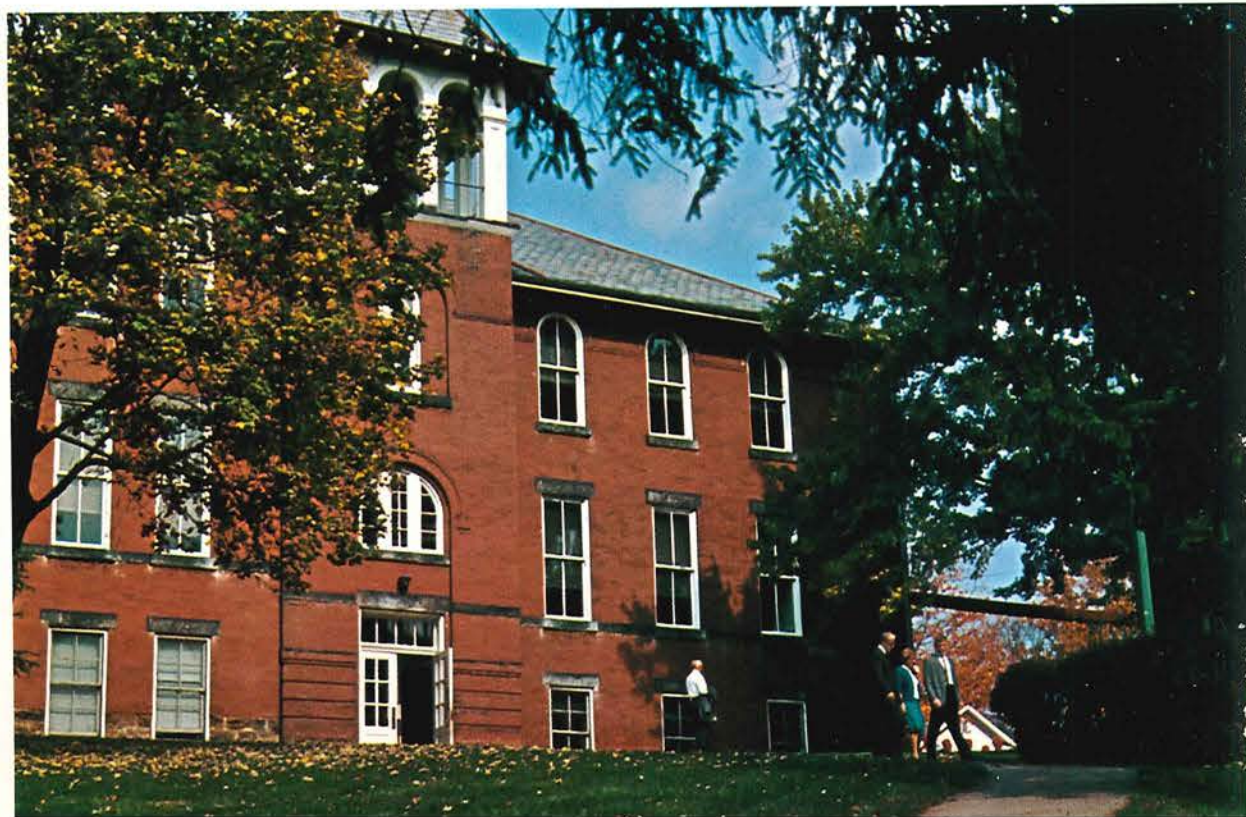

He comes to Muskingum with a warm smile, a growing family, and a desire to lead Muskingum . . . forward.

Dr. Manley, in his first year has become a vibrant part of Muskingum; not only at the administrative level but also at the personal level.

Basic to learning is the physical area in which it takes place. The pleasing form of the buildings and the natural grace of the campus combine to offer an environment worthy of academic pursuits. Here are combined the tranquility necessary for reverent contemplation, the education needed for a proper perspective of life and the realization that life is a beautiful thing worth living.

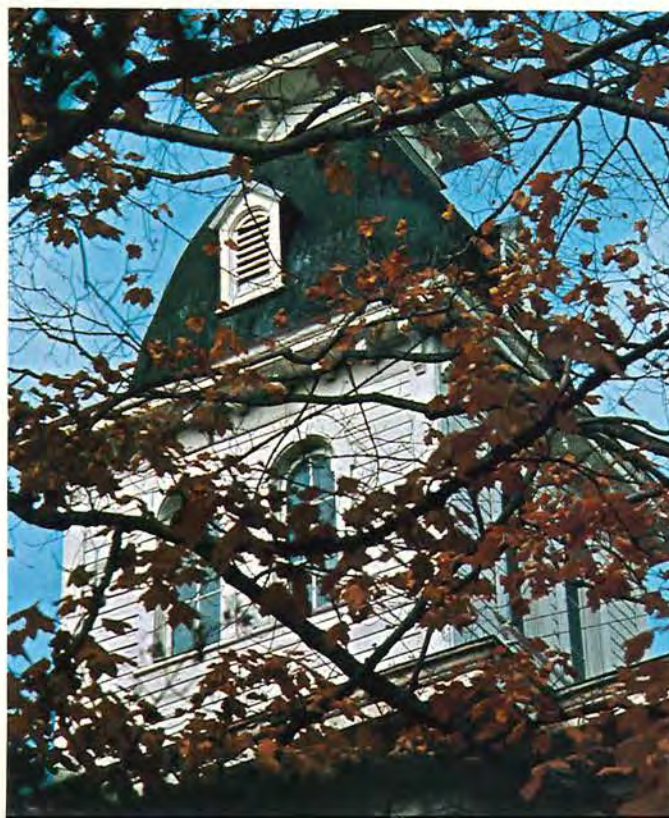

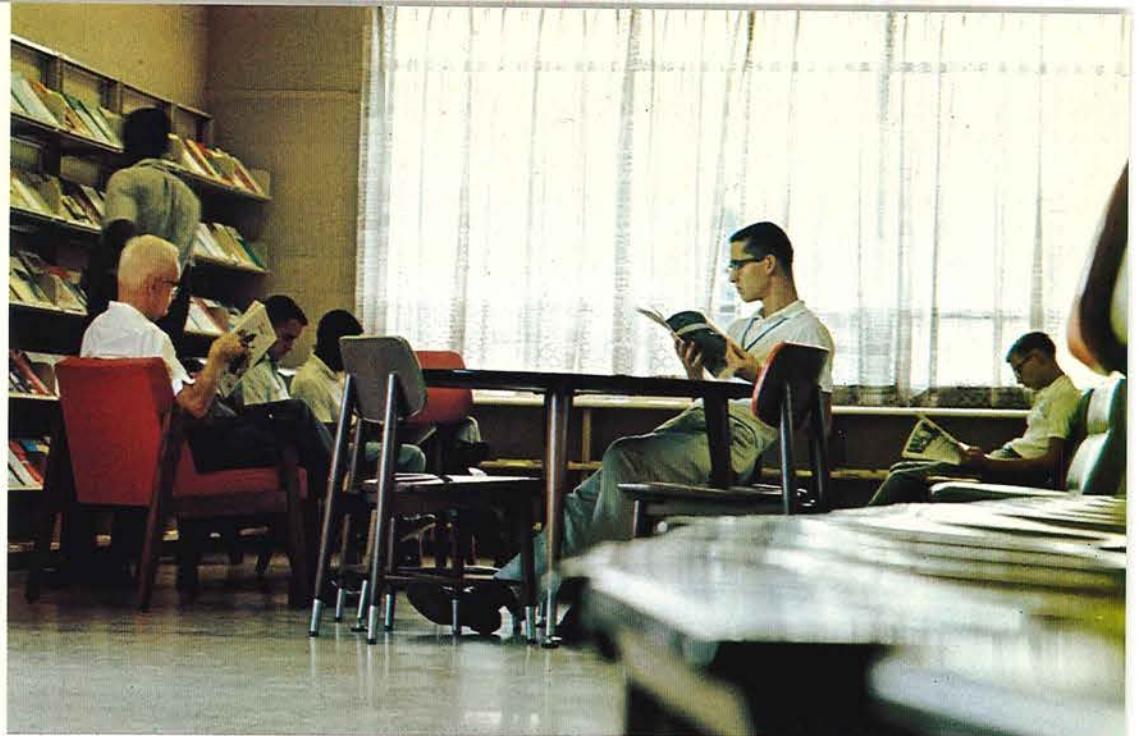

Muskingum, with the support and guidance of the United Presbyterian Church has continued to be a top level liberal arts college since its founding in 1837.

Muskingum under the capable leaders of the past has established a fine reputation which can only be challenged by the Muskingum of the future.

Brown Chapel, Johnson, and Paul Hall are functioning monuments to those who built Muskingum and made it what it is.

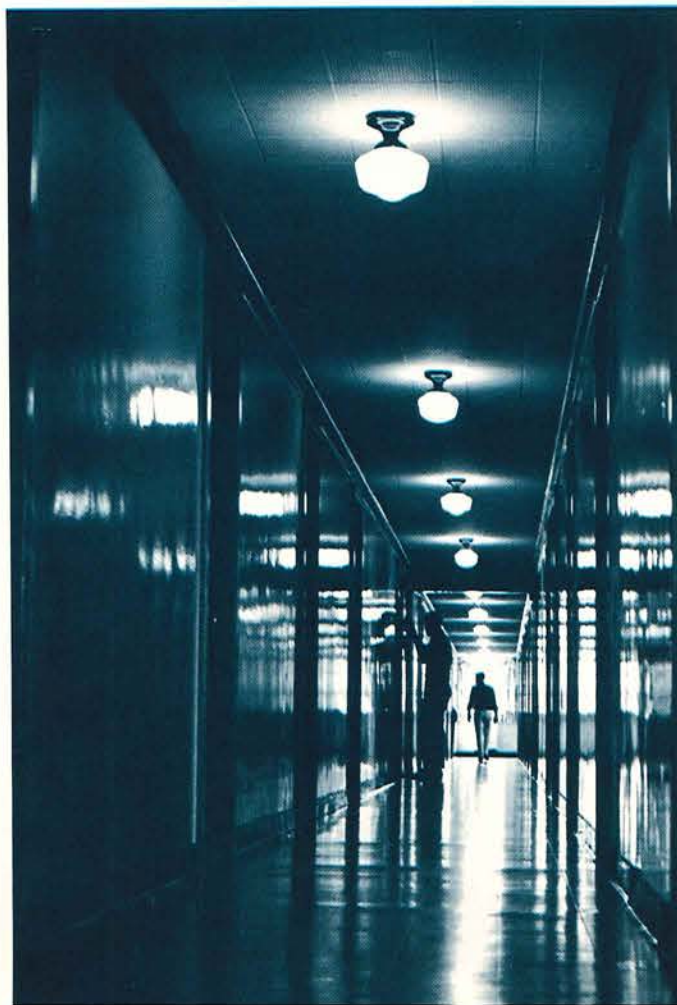

Muskingum is prepared for ambitious students eagerly seeking knowledge. But Muskingum is not satisfied with just being prepared; We are constantly seeking improvement.

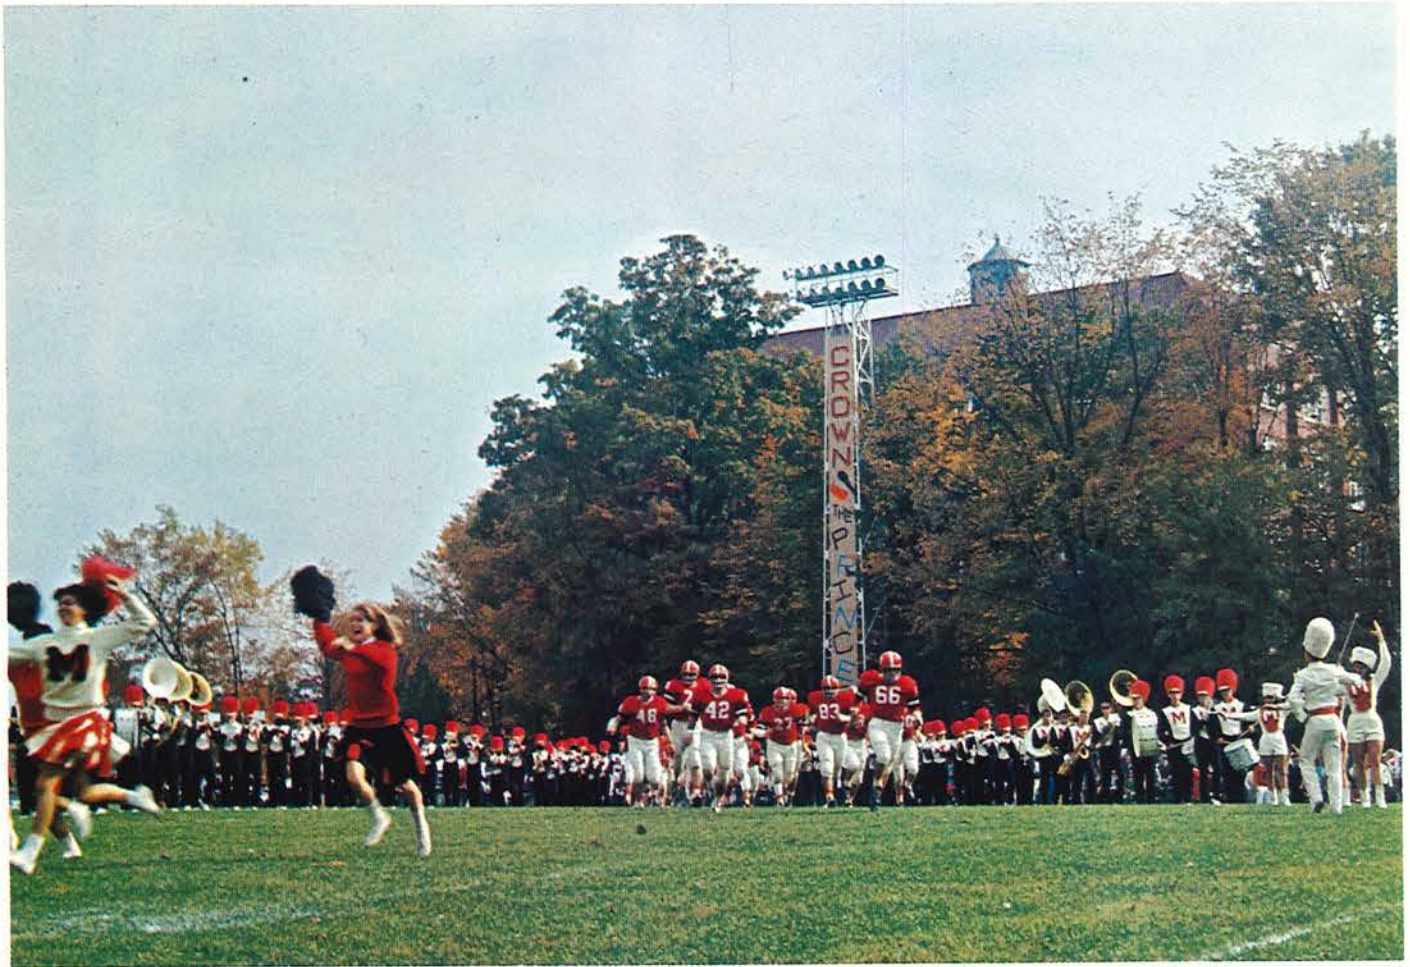

Attention to the thoughts of others combined with research of our own help make the educative process of Muskingum complete.

For most Muskingum freshmen, the dorm is their first real home away from home. New friendships are quickly made and the process of normal living is carried on. The hardships of life away from home are made easier by new found friends who understand because they are in the same situation.

When you leave Muskingum, if you have been benefitted by nothing else you will still have profited from the experience of living with and helping others.

The purpose of any college is to prepare one for his adult life. Included in this preparation is the opportunity to socialize and enjoy life with one's fellow man.

Muskingum provides its students with an opportunity to do this, whether it be by cheering on the team, being together in the stands at a game or by being a part of the team itself.

The totality of the college experience,
though an achievement in itself,
is but a preparation
for that which lies ahead.

Trustees Approve New

Last Friday the Board of Trustees enacted a new social policy for Muskingum. This is the result of the efforts of many students, faculty, administrators, and members of the Board of Trustees.

The Social Regulations Committee was formed about two years ago, composed of students, faculty, and members of the Board of Trustees. This organization, headed on campus by Dr. Fisk, worked for almost one and a half years to prepare a recommendation concerning many areas of the campus social regulations. Community Council, the forerunner of the

present-day Student Senate, heard the recommendation before passing it on to the faculty for its approval. Last spring the faculty reviewed the regulations and endorsed them by a majority vote. The document was then examined by the Board of Trustees at a summer session. The issue was tabled for further discussion at the October 15 meeting.

On October 15 the Board of Trustees made this recommendation official college policy. Reprinted here is the new, approved social policy of Muskingum College:

Smoking Regulation

Muskingum College has traditionally limited campus areas where smoking is permitted. The President of the College shall be authorized to designate smoking areas at his discretion. The President shall attempt to eliminate inconsistencies in current smoking regulations.

Standards of Student Personal Behavior

When a student enrolls at Muskingum College, he accepts it as

his personal responsibility to uphold the honor and ideals of the College in all areas of College life and in the maintenance of standards of personal behavior.

Believing that the effects of drinking alcoholic beverages can be both physically and emotionally harmful, and that these effects often produce irresponsible behavior, Muskingum College affirms that such practice is incompatible with its ideals. Muskingum College specifically forbids the use or possession of alcoholic beverages on campus, in the College community, at or during any college-

On Campus:

Campus Plans New Greek Temple

By JOHN LOWE

The Campus Planning Committee has come up with plans for a new Student Union to be built yet this winter. It is in the shape of a wheel, a big wheel, with an apse-like office at the hub. This office would undoubtedly be that of the Muscoljuan. When a switch is thrown, everything would revolve around this office. The outside wall, constructed of marble, would resemble that of a Greek temple. A row of columns of the Georgian Order will circumvent the building and the statue of a Grecian deer placed in front of the portal.

While the Muskies try to get a cigarette machine in their union, the students at Exodur University in England are trying to install a prophylactic dispenser.

Rumor has it that a certain Arts professor has been hired by the government to give the draft examination. Flunking it would qualify the student for the draft. With this appointment, Uncle Sam has hopes for a large spring induction quota.

"When a woman meets a man that looks her straight in the eye—she'd better do something about her figure."

The dictionary is the only place that success comes before work.

With the elections for student senate coming up there is at least one item that should strike home to all of us. We all directly fork over fifteen dollars to the Senate through the I.L.A. fund. The money that the school spends is 80 percent student financed. The money that Senate spends is 100 percent student financed. Whether this money is spent on a trip to Siberia by Haircurler's Club or on something beneficial to each of us as individual, directly depends on who sits around the counter at the senate meetings.

"I'd rather be a Could Be
If I could not be an are;
For a Could Be is a may be,
With a chance of touching par.
I'd rather be a Has Been
Than a Might Have Been,
before:
For a Might Have Been has
never been,
But a Has was once an Are."

sponsored function, and while a student is officially representing the College. (Official representation of the College lasts from the time the representing student leaves the campus or his home until he returns to the campus or his home.)

It must be understood that students are held responsible for their behavior at all times, both on and off campus.

President Manley is anxious for students to understand this new policy completely. He will specific-

ally state his views tonight at 7 p.m. on WMCO. Also, all students are cordially invited to meet personally with Dr. Manley upstairs in the Center Lounge on Thursday, October 21, at 4 p.m., where the President will open the exchange of ideas with a brief discussion of the Trustee's meeting.

We of the B&M staff congratulate those who have been instrumental in bringing about this revision. We are proud of the cooperation between all areas of the college in a constructive effort for the good of the college.

Dear Kathran:

The Notsomuchalegend of Nip Van Twinkle

Whosoever has made an excursion up the national taril must remember that Katsilt Hills, (a by-product of the great Kat). Snugly situated in these hills is the antiquated town of Nova Concordia. High on one of the Katsilt Hills stands the domain of the local Calvinist intellectuals, the Must Kingdom. Those who operate the Must Kingdom or, more appropriately, rule it, prefer to call it Muskingum. This name conceals the true essence of the institutin, for, after all, concealment is the true objective of the Must Kingdom.

Here in the Must Kingdom, we find one Nip Van Twinkle, a lad of eighteen, stout of mind and body. Nip, before his sojourn to the Must kingdom, enjoyed frequenting taverns and indulging in intelligent conversations. He found, much to his dismay, that the Must Kingdom discouraged both drink and intelligent conversation.

ATHLETICS

Baseball 1965

The 1965 Muskie baseball team, a victim of several one-run decisions, compiled only a 3-14-0 record on the diamond. The final game was but another heartbreaker as the Muskies were defeated by Ohio Wesleyan, Conference Champs, by a lone run.

Joe Arganbright, the mainstay of our pitching corps for four years, led our mound staff again and compiled a 1.53 earned-run average although his record was 1-4. Arganbright was also the leading swatter with a batting average of .298. Our team was plagued by weak hitting throughout the season. Two other leading hitters were Dick Bassetti and Doug Welsh.

With an experienced team, a new outlook, and a new coach, Mr. Robert Stokes, the '66 season promises diamond excitement and victory.

FIRST ROW, Ross Jones, John McKirahan, Dick Bassetti, Emerson Berry, Dale Featheringham, Terry Daniel, Joe Arganbright, Frank Cern, Joe Neff, Doug Welsh. STANDING: Dave Evans, Bob Glassburn, Paul McFadden,

Golf 1965

It was a long hard season for the Muskie linksmen in '65. Even with Medalist Doug Robinson's average of 77 the Muskies suffered eight losses to four wins. In spite of the record, Jim Miller, Jeff Armstrong, Hank Wurster, Tim Schiltz and Corky Lytle all turned in some fine rounds.

With over half of the lettermen returning, the '66 season should make up for some of 1965's bad breaks.

FRONT: Hank Wurster, Doug Robinson, Jeff Armstrong, Corkey Lytle, Jim Miller, Tim Schiltz. STANDING: Bill Ruschhaupt, Joe Brodbeck, Rick Lothes, Coach Joe McDaniel.

It was a year of building for the 1965 Cross Country Team. Four Freshmen and two Sophomores managed to pull out a 2-9-1 record even with two margin losses. Tim Kline our number one man turned in the fifth best Freshman time in the conference, and came in twenty-third at the All Ohio Meet out of one hundred eighty runners. Ray Barrow, Frank Campbell, Jim Foster, Greg Hollows, and Jeff Stonecash all did well considering their lack of experience. The whole squad will be back in 1966 to try to live up to Coach Steve Streubing's expectations.

Cross Country 1965

KNEELING: Coach Steve Streubing, Tom Kline, Ray Barrows, Frank Campbell, Jeff Stonecash, Mike Korba.

STANDING: Bob McDonald, Robin McDonald, Kent Spring, Greg Hollows, Bob Johnson, Jim Foster.

Although Muskingum's track team won only two of six dual meets in 1965, they set three school records during the season. Two relay records were established in a meet with Akron. The new marks were 43.8 seconds in the 440 yd. relay and 3:24.7 in the mile relay. In addition, Rick Harbold set a record of 13 feet 9 inches in the pole vault at the Ohio Conference indoor meet at Denison.

High scorer for our team was Andy Duda, holder of the school record in the shot put. Duda was named most valuable member of the squad, while Steve Streubing was chosen honorary captain.

With thirteen returning lettermen, the 1966 Muskie cindersmen should have a promising season.

Track 1965

Tennis 1965

With the best record of the spring sports, the Muskie Racketeers rounded off the season with eight wins and three losses. Dan Wise, who won nine of his fourteen matches, was named the most valuable player. He also advanced to the Conference Tournament semifinals where he lost to the champion, Roger Beach of Wittenburg. Phil Thawley had the best individual record of 10 and 1. Jeff Williams and Marsh Phelps pulled a 7-4 doubles record.

SEASON

In the beginning, the goal of the 1965 edition of the Fighting Muskies was the Ohio Conference Championship. They were ultimately destined to achieve that pinnacle, but not before countless hours of wearying practice had elapsed up on "the Hill." The actual difficulty of the challenge facing the team is best summed up by the words of Ed Sherman, "This years schedule is one of the toughest ever to confront a Muskie team." The first part of the season was characterized by exciting, low scoring, Muskingum victories. The chief factor in these wins was the brilliant teamwork of a defensive team that allowed only 40 points to be scored against them over a nine game span. As the season neared its end, the offense finally proved its championship caliber as offense and defense blended to smash Denison's Big Red 35-0. This victory won the Ohio Conference Football Championship for the Muskies. Over the full season, consistently outstanding players were Carl Lambert, Steve Aller, Tom Dillard, Mark DeVilling, and Captain Bruce Rohrer on defense, with Doug Smart and Rick Harbold outstanding on offense. Muskingum was well represented on the all-Conference teams as they placed 8 players on either the first or second team. Those selected to the first team are Mark DeVilling, Tom Dillard, Steve Aller, Charles Harrigan, and Doug Smart, while those on the second team are Bruce Rohrer, Carl Lambert, and Rick Harbold.

HOMECOMING

Muskingum's 1965 Homecoming weekend featured an exciting blend of nostalgia and the dynamic advancement that has characterized Muskingum College since the installation of Dr. Harry Manley as President. A large part of the Homecoming festivities always centers about the club floats, which represent a great deal of time and energy expended by each club member. The 1965 award for the best float was given to the Delta Club. The traditional ceremony of the introduction of the Homecoming Court was highlighted by the presentation of Queen Jane Vancil and her attendants, Miss Marilyn Morse and Miss Barbara Plenty. An excellent job of coordinating was done by the Homecoming Committee co-chairmen, Marge Henderson and Bill McCormick. The Homecoming weekend came to a satisfying conclusion as the Fighting Muskies edged the Student Princes of Heidelberg 7-6 in another exciting victory.

Muskingum Season Record (6-13)			

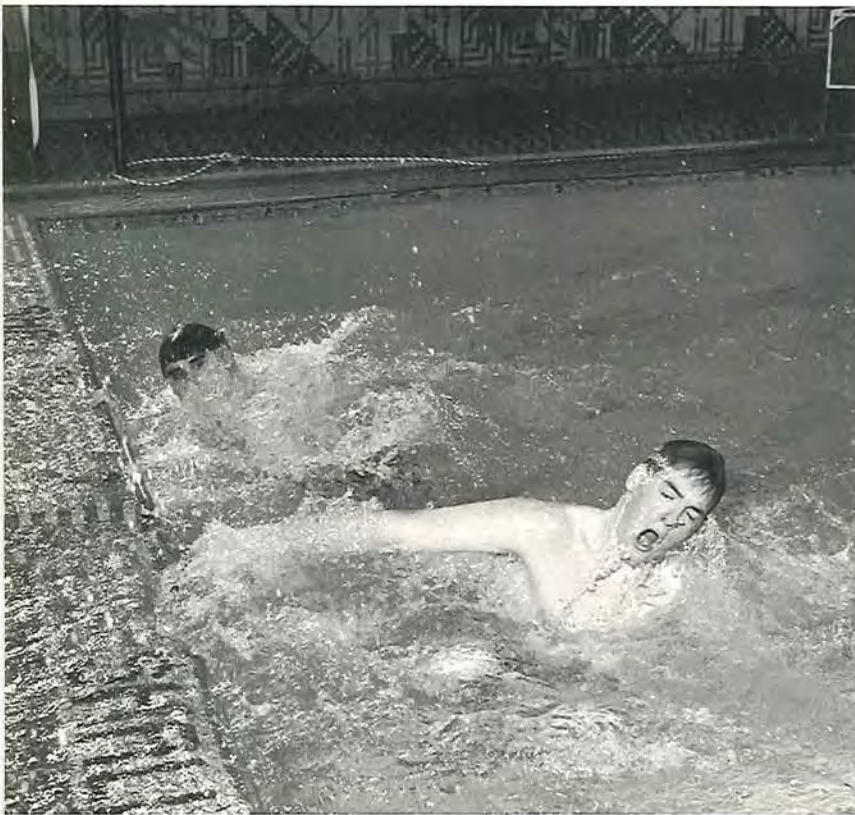

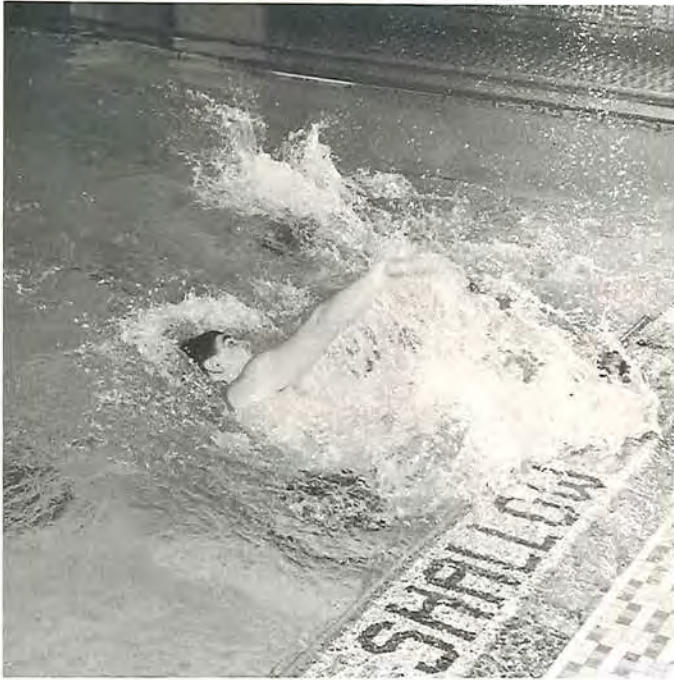

Basketball 1965-1966

Although the 1965-66 Muskingum basketball team did not have an outstanding record, the season was a success in many ways. Under the leadership of first year coach Bob Stokes, the Muskies uncovered three future stars in Jim Battle, Bill Toplyn, and Harry Reynolds. These three, together with seniors Bob Carter, John Ruyan, and Dale Featheringham, gave an indication of their potential with a tremendous upset win over nationally 6th rated Akron University. This was the finest effort by a Muskie basketball team in recent years. Just as the team gained momentum in the later stages of the season, it was severely crippled by the loss, through injuries, of Featheringham and Reynolds. Coach Stokes charges suffered defeat in the first round of the Ohio Conference Tournament, but a solid foundation had been established for the immediate future and a sharp upswing in Muskie basketball fortunes can be anticipated.

Swimming 1966

The Swimming Team splashed its way to a five victory, five loss record in the face of a difficult schedule. There was definite improvement as the season progressed, with the tankers reaching their peak in a win over Bethany. The leader of this late season onslaught was junior ace, Dave Quiggin. Quiggin personally shattered four records and his efforts, along with those of Tom Herr and Bob Turnbull, were successful in altering seven school records. Coach Ken Potter and his assistant Dave Wessely did an excellent job in directing the team to a respectable record and each put in many wet, hard hours at that task. The only graduating members of the team are Co-captains Bob Turnbull and Jim McIlvaine. Their loss will deprive the squad of a pair of fine athletes, but, with the other talented swimmers constantly developing, Coach Potter continues to wear a smile.

Wrestling

Although the first half of the season was a tale of disappointments, the Muskingum College grapplers regrouped under the leadership of coach Lester Baum and went on to fashion a season mark of five wins and six defeats. A late season string of five victories assured the team of a respectable final tally.

Over the course of the season, individual stand-outs were Jeff Stark (6-1), Co-captain Dick Shelley (9-2), Bruce Bridenbaker (8-3) and Doug Spade (6-3). Co captains Shelley and Dave Hicks were instrumental in maintaining the morale needed to carry the team over the early season rough spots. As in the other sports, Underclassmen dominated the team and the future outlook is bright.

W.U.S.

World University Service Week, with the traditional Powder Puff Football game, and the dance in the gym, surpassed its goal through the generous support of the students.

Spiritual Emphasis Week

This year Spiritual Emphasis Week had a guest speaker who conducted chapel and evening worship services as well as small devotion groups in the dormitories. A week of campus commitment was the goal of the S.E.W. co-chairmen.

W.M.C.O.

W.M.C.O. this year once again managed to keep Muskingum informed and entertained from its base of operations in Cambridge Hall. Under the leadership of station manager Doug Fox, the eighty-three hard working members of this year's staff presented their listeners with various programs of special interest. For afternoon and evening listening on the Muskie campus you can't beat W.M.C.O. the sound center of Muskingum.

Acknowledgements

The 1966 Muscoljuan owes its existence to the combined efforts of a dedicated group of people. They are . . .

Ann Pringle and Paula Dorman—Index

Sue Cox and her staff—Students

Jill Friend and Sally Smith—Academics

Joan Dimmet and Kathy Kovach—Activities

Ron Crouch and Dave Barnheiser—Sports Copy

Jim Meis and Clair Stebbins—Photography

Bob Cool—Business and Advertising Manager

Special Thanks go to Gail Baker for her typing and enthusiasm, Nancy King and Pat Guardino for the Intro copy, Dennis O'Neil for the drawings that he finally finished, Duane Pogue, American Yearbook Company Representative, Pat McKenrick of Cincinnatti for his photography especially the color work.

Extra special thanks to "Ollie" Rankin, Pat Guardino, and Popcorn Louie for moral support and guidance.

The 1966 Muscoljuan was printed on Warren's Bright Glow paper by the American Yearbook Company. First and only printing—1500 copies.
