MUSKINGUM'S GOLDEN MOMENTS

This place we call home for eight months a year, believe it or not, does have its golden moments. They are the few or many things that will live long in our memories of Muskingum College. These pages are filled with those moments for you to reminisce about this year, next year and many years in the future.

Homecoming Weekend 1983

Homecoming Weekend brings together many people who've not seen each other in ages. From the parade to the football game, from the memory filled moments to the quiet talks, Homecoming Weekend lets us all look back, talk today, and speculate about the future with people who've meant so much in our lives. There is an air of enchantment as alumni wander the worn paths they wandered before. And as they reminisce about days gone by, even more wonderful memoirs find their way into their hearts. Homecoming Weekend paved a path for wonderful activities such as the parade, the big football game with Capital, Varsity Revue new Hall of Fame members, and the Gary U.S. Bonds concert. All of this excitement is prepared by the students of Muskingum as Freshmen gaze in amazement while the upperclassmen greet their "old buddies" from years before. Soon they too will learn of the love and celebration that a Muskingum College Homecoming Weekend brings.

Eileen and Steve keep the show going.

The F.A.D.'s had a classic act with the classical cluck.

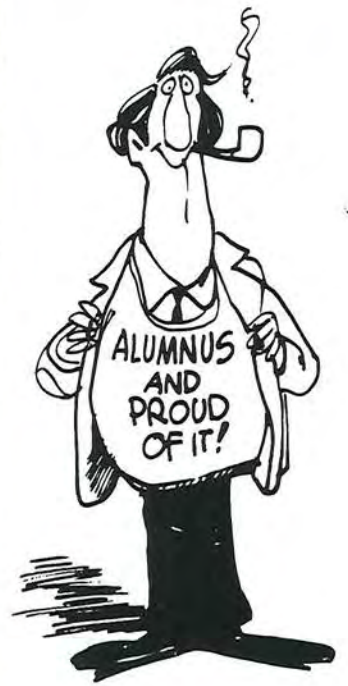

Sing it Colleen!

IN MEMORY

DR. JOE L. DUBBERT
1939-1983

The Lord is my shepherd,
I shall not want;
he makes me lie down in green pastures,
He leads me beside still waters;
he restores my soul.
He leads me in paths of righteousness
for his name's sake.
Even though I walk through the valley
of the shadow of death.
I fear no evil;
For thou art with me;
thy rod and thy staff, they comfort me.
Thou preparest a table before me
in the presence of my enemies;
thou anoinest my head with oil,
my cup overflows,
Surely goodness and mercy shall follow me
all the days of my life;
And I shall dwell in the house of the
Lord forever.

Joe L. Dubbert was born in Laurens, Iowa on November 25, 1939. Little did anyone know then, what a great man he would become. He began his education in Laurens and continued until he graduated from the University of Minnesota with a Ph.D. in 1967. He stayed on there to teach, until he moved on to Extension College in 1966. Dr. Dubbert spent one year there before coming to Muskingum College. Here, he was a History professor, Director of American Studies program and Divisional Coordinator in Social Science. Muskingum seemed to open new doors for Dr. Dubbert. In 1972 and 1974 he received the Mack Foundation Grant for research, and took sabbatical in 1974. From these activities and awards came nothing but good. He had several publications published concerning the role of the American male. Besides this he prepared many book reviews. The early 1980's saw Dr. Dubbert working on an American History textbook. Sixteen years is a cruelly short professional life, but sixteen years of Joe Dubbert's superb teaching, his doggedness, determination and striving, far surpasses others' longer tenures. His students — four complete generations — may have known him best, for teaching was always his first priority. He was a very dedicated man; not only to his work but to his students, friends and family. All of us, Joe's students, his colleagues, his friends, will miss him. But we whose lives he touched carry a bit of him with us. His persistence, his determination to unravel, examine, test and synthesize, all with rare good humor, will not easily be forgotten. And whenever history at Muskingum College is touched upon, Joe Dubbert, complete with puckish grin, will jog right back into our memories.

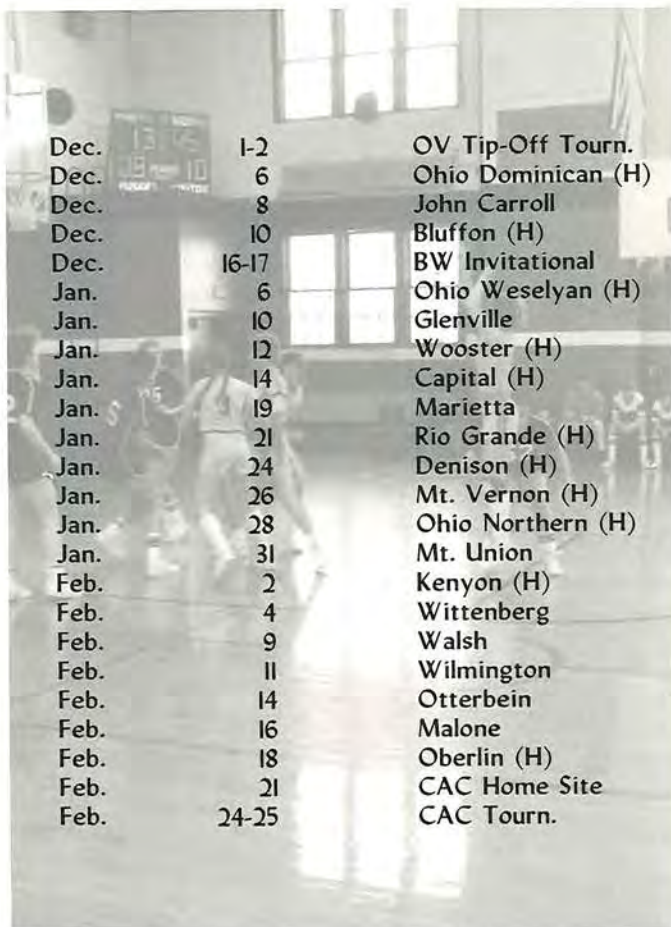

Through swimming, wrestling and basketball, Ken Blood and his trainers get us through it all.

SCHOLARSHIP DAY APRIL 6, 1984

"Day of Honor"

President DeJong presents a student with her award.

Jim Clausing proudly receives his award.

April 6, 1984 was Muskingum's 53rd Scholarship Day. This is a day of distinction and honor. Freshmen, Sophomores, Juniors and Seniors received scholarships and special awards that were well deserved. Mr. Richard Dudman was the speaker and spoke of the "Appraisal of the Reagan Presidency." Many Muskingum students were recognized, but there was one award made to a professor. This was the "Distinguished Teachers Award." Phi Theta Beta presented this award to Dr. Paul Naour. Another set of awards were presented by Dean Van Tassel to the men's and Women's clubs with the highest GPA. Congratulations ... Dr. Naour, award and scholarship recipients and clubs!!

1984

Brenda Trumbo and Phil Morrow hosted the Spring Talent Show. They did an excellent job along with the super cast. The show included comedy, drama, singing and dancing. Everyone enjoyed the show, which was part of Parent's Weekend. The whole Parent's Weekend committee did a terrific job! Not only should they be recognized . . . there are two more people each M.C. student needs to recognize and thank . . . MOM and DAD. Thanks for all you've done and to you we dedicate this weekend and all its activities.

Matt, Mike, and Brian gave the spring talent show a "cool" twist.

Many hours of hard work go into each theatre production produced here at Muskingum. It all begins with designing the set then constructing and painting it. Next comes many hard hours of practice to make the play "just perfect". It finally comes down to dress rehearsal to iron out any imperfections, then ... opening night "jitters" and the lights go on! Somehow it all seems to pay off as the cast hears the audience applause.

THEATRE

Let the action begin ...

Come on guys ... Take 5, Scene 2!!

Gottcha!!

Matt seems to pondering a thought as Frank looks on.

Jeanine and Deb create a very serious mood on stage.

F.A.D.'s welcome their new pledges.

Pledge Day ... a day when clubs take new members. There are big decisions to make, intense moments ... then wild yells and "rushing the hill." It is a day to remember and cherish forever.

PLEDGE DAY 1984

Pledge Day 1984 was a lot different than other pledge days. There was no snow but we were blessed with something else ... MUD!! Instead of snowballs and snow tackles, there were mudslinging and mud slides. 1984 Spring Pledge Day will be long remembered for all the mud, memories and washing we had to do!!

Due to uncontrollable circumstances we do not have many pledge day pictures. Sorry!

A "new sorority" welcomes new pledges.

JUST WHAT WE'VE BEEN
WAITING FOR . . .

Groundbreaking for the new gym!! The College Administration looks on as the ground is broken for the long awaited gym.

Graduation Day ... a day long awaited, yet in some ways feared. Whether speaking or singing, this is a big day. Dr. Naour and Jane McIntyre deliver inspiring speeches to the 1984 graduates. But before all this gowns are ordered, parties are planned, invitations are sent and job opportunities start opening. Finally the day comes when friends and family travel to New Concord for the big occasion. Pictures snap, gifts are opened and then ... it's time to go to the Quad. (This year the weather didn't cooperate so graduation was held in the gym.) Everyone is seated and the soon-to-be graduates line up ... the music starts and they march in ...

GRADUATION 1984

Everyone is seated and the service begins. It seems to be an eternity while listening to the speakers and awards, but finally *your* name is called and you make that long awaited walk across stage ... coming down on the other side to cameras clicking, tassels turning and a whole new life ahead of you. Congratulations and good luck 1984 Muskingum Graduates!

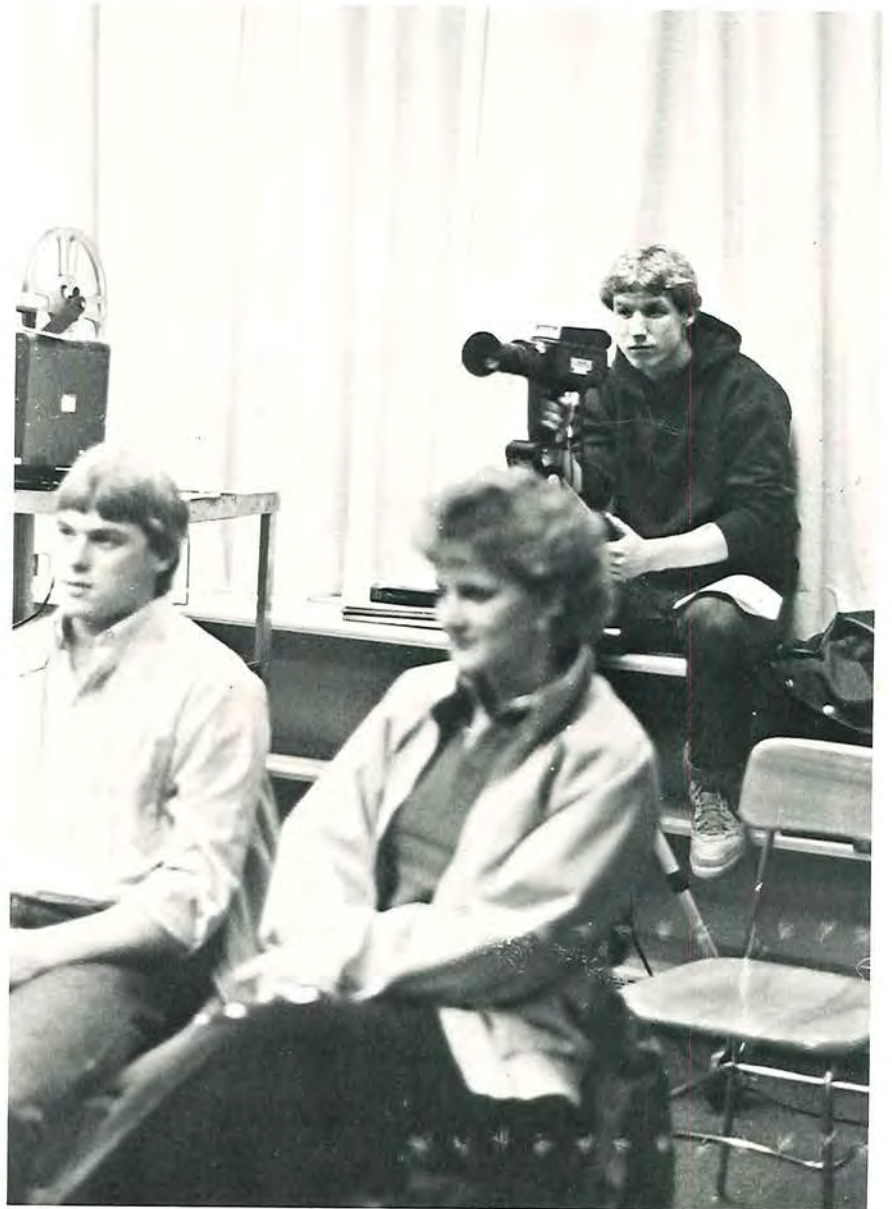

A DAY TO REMEMBER . . .

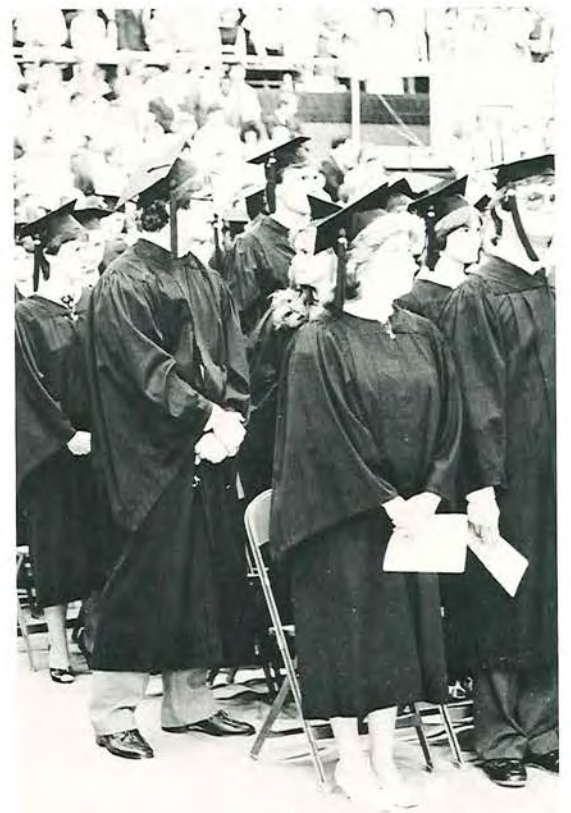

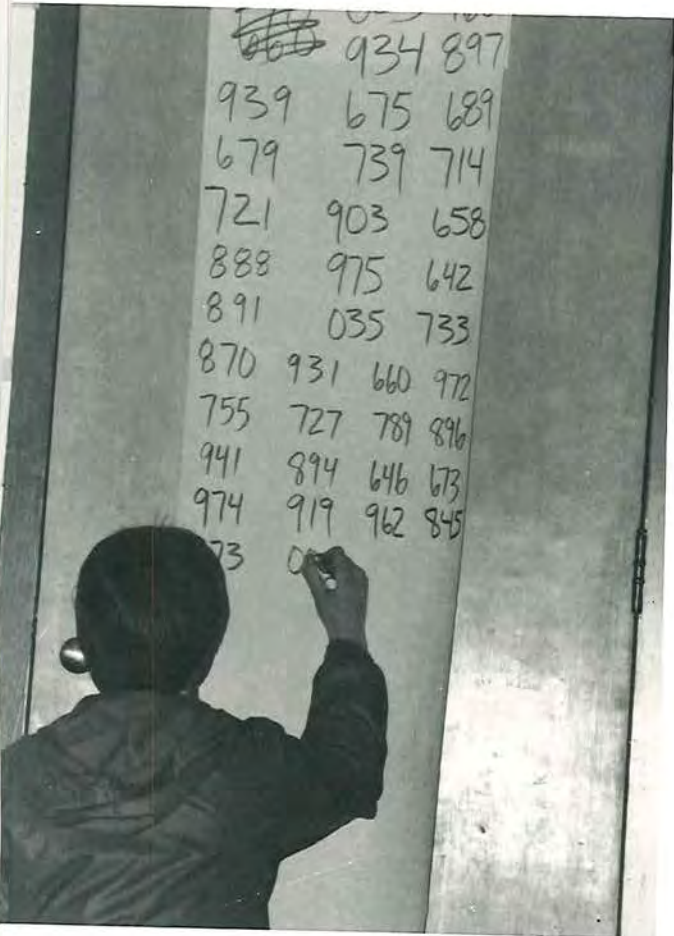

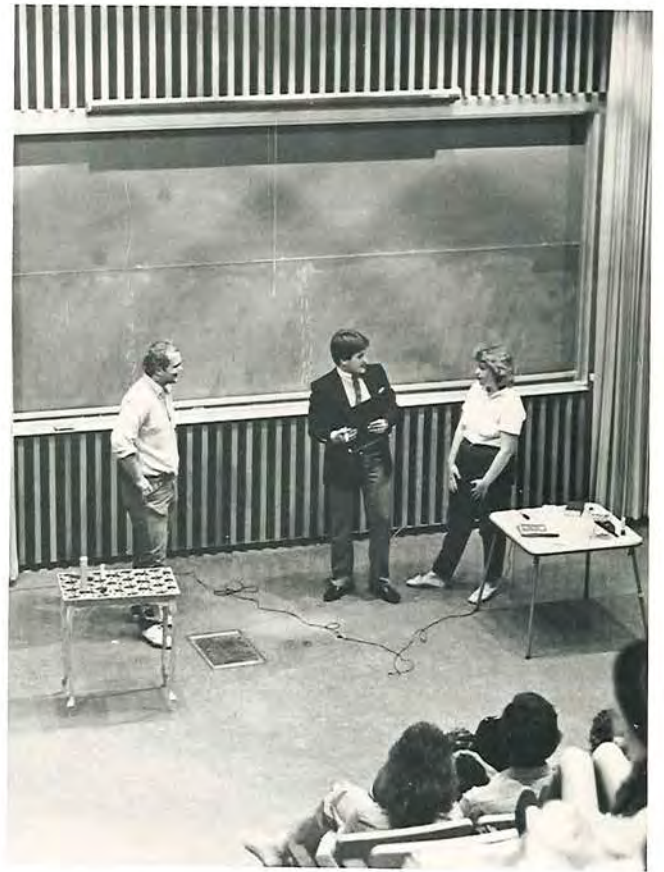

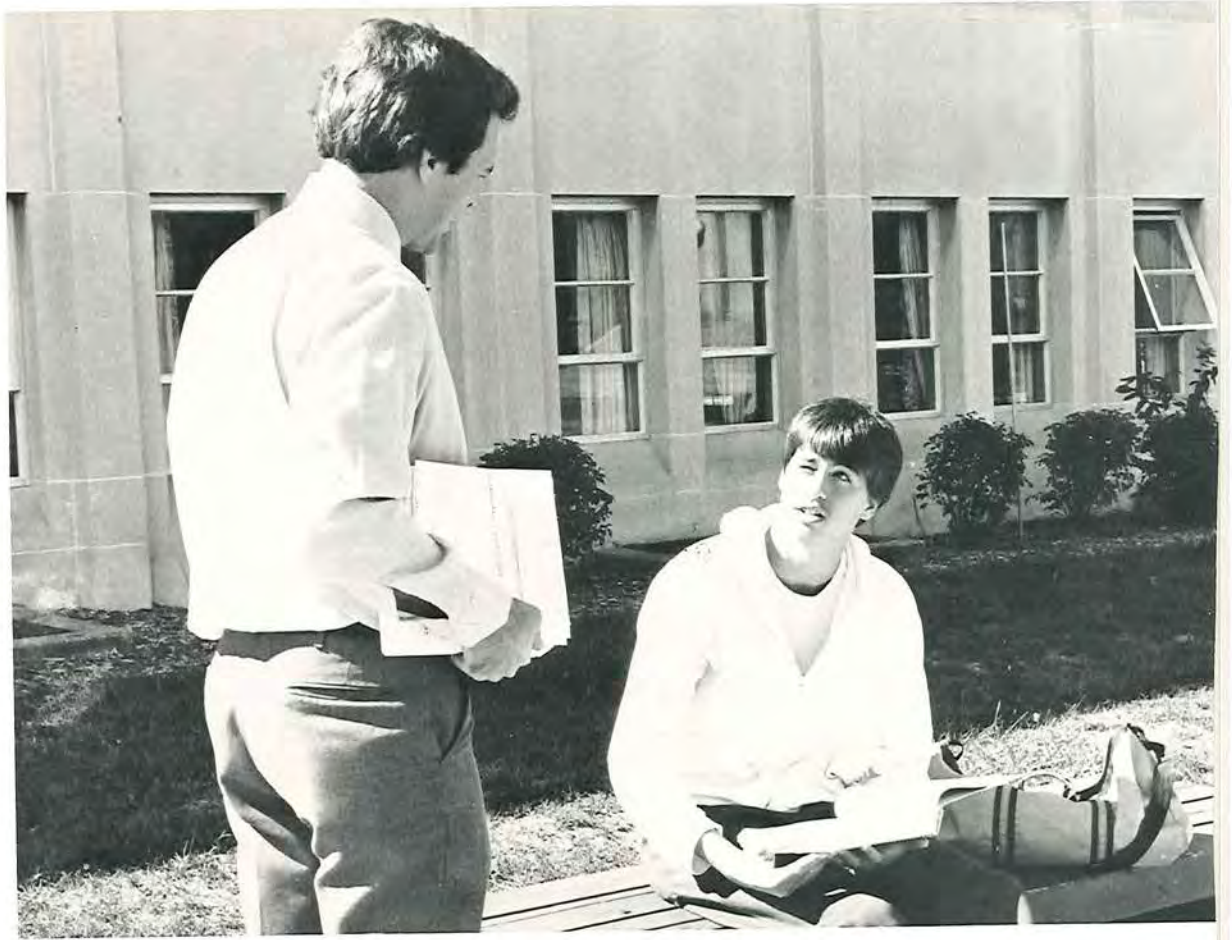

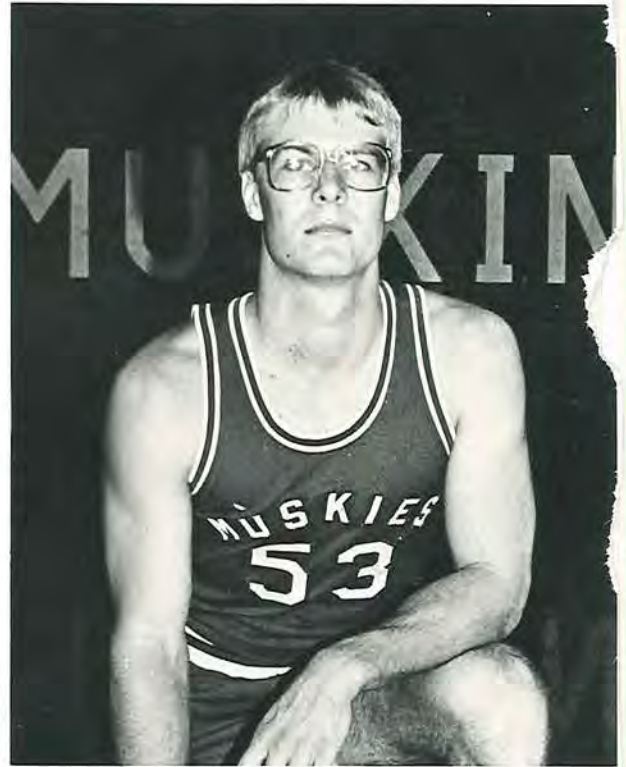

MYRON DULKOSKI '83

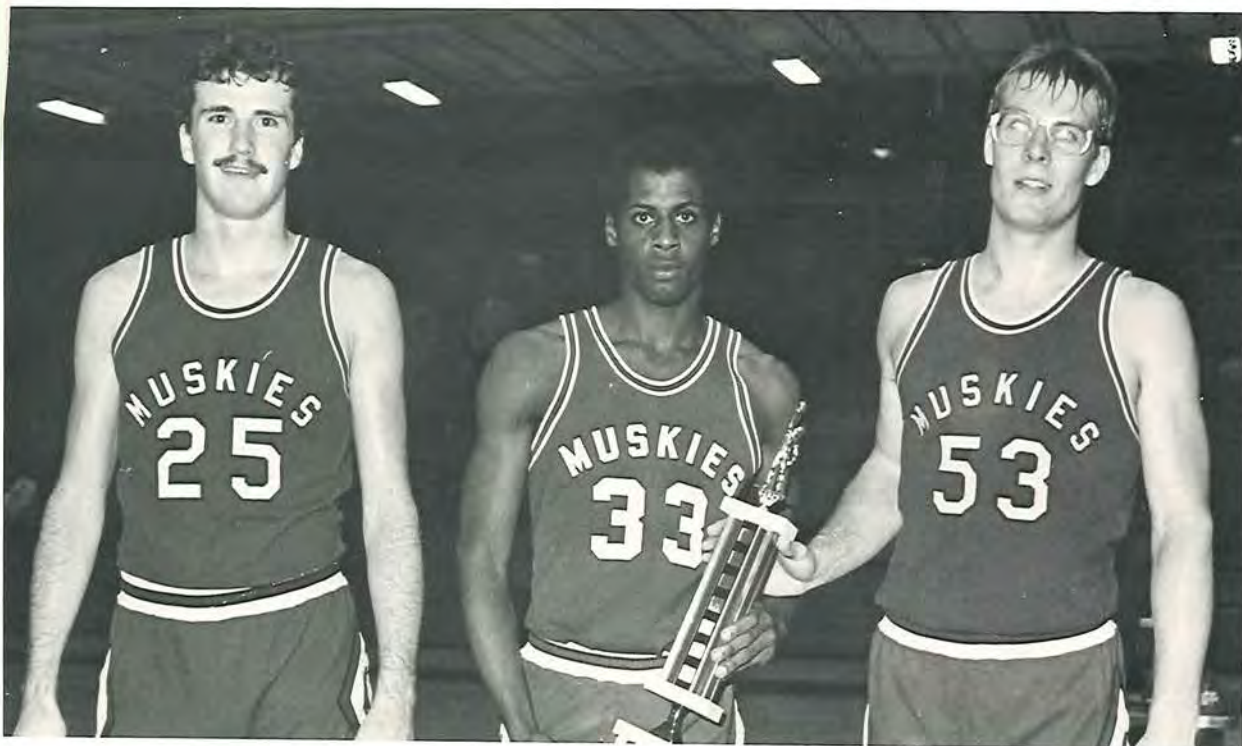

In a fishing accident on July 7, 1984, it is believed that Myron Dulkoski slipped into the Clark's Fork River and drowned. Myron, a 1983 Muskingum College Graduate, was an outstanding scholar-athlete. He graduated with honors and was a three time All-Ohio Conference Basketball Team member, the second leading scorer in Muskingum history with 1453 career points, and a Little All-American. He was awarded an NCAA post graduate scholarship and was pursuing a doctorate in mathematics at Montana, where the accident occurred.

Coach Jim Burson has described Myron as "a sermon, a lesson on Christian living. The giant of Muskingum basketball was a quiet man, a man who loved simple things.

"A simple man and a simple life. His death stunned the community. His life illuminated the meaning of mission."
